2012	2.0	6.0

Data Notes:

-Data obtained from the United States Department of Labor, Bureau of Labor Statistics (BLS).
For more information go to: <http://data.bls.gov/gqt/ProfileData>

-Difference in industry concentration and sample size prohibit state-level data from being directly compared to other states or with national estimates

-*Data for 2011 and after is not comparable with previous years due to occupational definition changes made by the BLS. For more information go to: <http://www.bls.gov/soc/>
