Data Notes:

- This dataset was obtained from the National Environmental Public Health Tracking (EPHT) Portal at <http://ephtracking.cdc.gov/showHome.action>
- Data are classified by mother's residence at the time of birth which may or may not be the same as the mother's residence at the time of conception.
- Data presented on this portal may differ from data for the same measure on State Tracking Portals, State Health Department Web sites, and other source Web sites. Refer to the Missouri EPHT Data and Statistical Guide for more information on the creation of this indicator.
- Natality data provided by CDC's National Center for Health Statistics National Vital Statistics System.
- Data obtained from Multiple Cause Mortality files provided by CDC's National Center for Health Statistics.
- *Small cell counts of 0, 1, 2, 3, and 4 have been suppressed to protect patient confidentiality.
