

Radon Testing is Easy And the Only Way to Know Your Home's Radon Level

- Radon test kits are available free of charge to Missouri residents at www.health.mo.gov/radon; while supplies last.
- Test kits are provided by the Missouri Department of Health and Senior Services (DHSS) and shipped from our contractor American Lung Association (ALA).
- To learn more about radon testing, or how radon in indoor air may affect your health, visit our radon webpage at www.health.mo.gov/radon or call the Missouri ALA Radon Hotline.
